Mr G M West

Dear Sir

I don't quite know what I can say  
or do to lightin your cup of sorrow  
it seems as though you had had more  
than your share - but we all have our dark  
moments - you have my sympathy -  
Dela was my favorite Cousin her  
mother was my dearest friend she  
was the first one to care for me on this  
Earth - & Dela has spent her life for others  
ever tiring of doing more than she  
was able - is at last at rest - and  
if there is any reward due any on this  
Earth it is Mrs West. I would so much  
of liked to of been where I could of helped  
you through your affliction but hope  
you have pulled through - not lost your  
health I expect to be in Chicago soon  
will try & see you Mrs Trow sends her  
regards to George Best A. S. Trow
